JUKES

PRODUCER

Acclaimed wine critic Matthew Jukes has crafted Jukes Cordialities, alcohol-free blends of high-quality fruit, vegetables, herbs and spices macerated with a backbone of organic apple cider vinegar. Matthew has used his olfactory and sensory expertise to develop unique recipes, resulting in nuanced cordials which are ideal for food pairing. There are five flavours to choose from, each with an uplifting and dry profile, and distinct from the world of alcohol-free wines or spirits. A choice of mixers (sparkling water or tonics) and the adjustable strength of dilution mean the Cordialities can be tailored to suit the individual palate.

The pre-mixed `Jukes Sparkling collection` was recently launched as a `ready to pour` edition of the three flavours Jukes 1, 6 and 8.

PRODUCTION

Each flavour is created by layering fruit, vegetables, herbs, spices and flowers. The carefully selected combination of ingredients is then blended with brown sugar and undergoes a long, gentle maceration with organic apple cider to bring forth a particular character. The addition of carbonated water emphasises the aromatics of this blend offering an even more elevated experience. Naturally inky coloured Jukes 6 or `The Dark Red` is made in a spicy style with the sensitive additions of earthy vegetable and deeply flavoured spices. In addition to being 100% natural and alcohol-free, all Jukes drinks are vegan, gluten free, halal and low calorie. Refreshing, healthy and sophisticated, the pre-mixed `Sparkling Collection` is the finest way to enjoy Jukes on the go

SERVING SUGGESTIONS

Jukes 6 `The Dark Red` sparkling cans are best served chilled, over ice. Store in a cool, dry place and refrigerate before consumption.

TASTING NOTES

Blackcurrant and blackberries lead the way, with layers of raspberries, strawberries and plums adding an extra dimension and depth of flavour. Beyond these familiar fruit notes, the addition of earthy vegetables and spices seasons Jukes 6, giving it depth and richness.
