PRODUCER

The Capezzana estate, 24 kilometres north west of Florence, is owned by the Contini Bonacossi family. The younger generation is now firmly in charge of the estate's 80 hectares of vineyard, with daughter Benedetta Contini Bonacossi as winemaker and Franco Bernabei as consultant winemaker. The wines and the olive oil have an elegance which marks this estate out from the crowd.

VINEYARDS

Grapes for the Capezzana Trebbiano are grown on the estate's 104 hectares of vineyards which are all certified organic. The vines are planted on east facing slopes at 100-150 meters above sea level. Soils are a mixture of alberese and galestro clay schist.

VINTAGE

Following very low levels of rainfall in winter and spring, bud break occurred later than usual, however flowering came about 10 days early. Warm temperatures in the summer aided ripening, and some much needed rain came in July, helping vineyards to recuperate and flourish. Overall, drought and high temperatures caused slightly lower yields, which were nevertheless excellent in quality.

VINIFICATION

Upon arrival at the winery, the grapes were transferred to both stainless steel tanks (50%) and oak barriques (50%) to begin alcoholic fermentation at a controlled temperature of 18°C for a 10-day period. The wine was then aged in French oak for 6 months before bottling, followed by a further 6 months ageing in bottle prior to release.

TASTING NOTES

This wine is a vibrant yellow amber in colour with youthful hints. The nose displays aromas of yellow flowers, almond and vanilla from oak maturation. Intense and harmonic on the palate, it has a refreshing acidity and a persistent finish.
