PRODUCER

Poggio al Tesoro is a 70 hectare property in Bolgheri acquired in 2002 by the Allegrini family. The first vineyard they bought, Le Sondraie, is next door to Ornellaia and was previously rented by them. It is 50 hectares in size and is planted with Merlot, Cabernet Franc, Cabernet Sauvignon and a small amount of Vermentino.

VINEYARDS

The grapes for Solosole are grown on seven hectares of the Le Sondraie vineyard, at an altitude of 25 metres above sea level. The west-facing vineyard has deep soils made up of sand, gravel and clay. The vines are trained in Guyot style and are planted at 7,936 vines per hectare.

VINTAGE

The 2023 vintage was complex but fascinating. The vines followed a regular, if not excellent, trend in the vineyards. There was a return to the harvest rhythms of the past, without the need to accelerate the ripening process due to high temperatures. The first months of the year were milder than usual, but the spring saw many rain episodes. The summer started properly only at the end of June, characterised by very hot days that lasted well into the second week of August when the rain came back, allowing for the perfect ripeness of the grapes which arrived at the winery showing a fantastic flavour concentration and moderate sugar levels, the perfect combination for an elegant and powerful wine.

VINIFICATION

The grapes were hand harvested and sorted on arrival at the winery. The whole grapes were gently pressed before undergoing a pre-fermentation maceration. Fermentation followed in temperature controlled stainless-steel tanks at temperatures of between 14 to 16° C, for 20-25 days. No malolactic fermentation took place and the wine remained in tank on its fine lees before being bottled, then was aged for a further month in bottle prior to release.

TASTING NOTES

Bright straw yellow in colour, this Vermentino opens on the nose with aromas reminiscent of white flowers and yellow plums. This medium-bodied wine has a succulent palate with refreshing acidity and delicate apricot notes on the finish.
