MIRAVAL
PROVENCE

Miraval,
`Studio` Rosé 2023
Southern France, France

Grape Varieties	**25% Cinsault** **25% Grenache** **25% Rolle** **25% Tibouren**
Winemaker	**Pierre Perrin**
Closure	**Stelvin Lux**
ABV	**12.5%**
Residual Sugar	**0.2g/L**
Acidity	**3.9g/L**
Wine pH	**3.41**
Bottle Sizes	**75cl,150cl**

PRODUCER
Château Miraval is located in the Provence village of Correns, the first 100% organic village in France. All the crops, including grapes, are grown organically in this wild and picturesque town. Tucked away in its own private valley, the Château is surrounded by ancient woodlands and olive groves. Current owner Brad Pitt partnered with the Perrin family of Château de Beaucastel fame in 2012. Since then the family have been responsible for the wine production and vineyard development of the estate. Their continued dedication to improving quality, in both the vineyards and the cellar, have seen the wines go from strength to strength, with Château Miraval today considered one of the great names of Provence.

VINEYARDS
This wine is a blend of Cinsault, Grenache, Rolle and Tibouren. The vineyards are situated along the French Riviera, stretching from the mouth of the Rhône river to the gates of Monaco. The proximity to the Mediterrannean Sea brings warm temperatures, which are tempered by the Mistral wind, providing excellent conditions for the grapes to ripen and retain acidity.

VINTAGE
The 2023 vintage was full of contrast in Provence, and as a result, meticulous and regular attention was given to the vines. After a dry winter, the spring was particularly wet with episodes of hail, which caused some damage. Following the heavy rains, there were significant spells of mildew before a hot and dry summer. The harvest began early on the 6th of September and although the quantity was slightly reduced, the grape quality was excellent.

VINIFICATION
Each variety underwent direct pressing and was vinified separately. Fermentation of the Cinsault and Tibouren took place in stainless-steel vats, while the Grenache and Rolle were partially vinified in tulip-shaped concrete vats. The ovoid shape gives rise to a natural convection movement that suspends the lees, creating the same effect as bâtonnage and adding texture and body to the wine.

TASTING NOTES
This rosé is a delicate, pale pink colour. On the nose, lifted floral aromas mix with notes of blood orange and fresh red currants. The generous palate is perfectly balanced by lively acidity.
