Winemaker	Germán Bruzzone
Closure	Screwcap
ABV	12.5%
Residual Sugar	2.1g/L
Acidity	6.5g/L
Wine pH	3.28
Bottle Sizes	75cl

PRODUCER

Bodega Garzón is a family owned winery in Maldonado on the Atlantic coast in southern Uruguay. They pioneered viticulture in this area over 10 years ago, and have since become the standard-bearer for premium wines from Uruguay. In November 2018, their pioneering status was recognised by Wine Enthusiast with the 'New World Winery of the Year' award. The vineyards at Bodega Garzón are a patchwork quilt of 1,150 individual plots of around 0.2 hectares in size, each plot carefully chosen for a specific variety according to its soil and microclimate. The winery is specially designed to operate as sustainably as possible, and is the first winery outside North America to pursue LEED certification (Leadership in Energy and Environmental Design). Built on natural terraces, the winery uses cutting-edge technology and operates using a gravity system to ensure quality and energy efficiency at every stage of production.

VINEYARDS

Located 11 miles from the Atlantic Ocean, the estate has more than 1,000 small vineyard blocks covering hillside slopes, which benefit from varying microclimates, different levels of humidity and intense canopy management. Well-draining granitic soils and cooling Atlantic breezes allow the grapes to ripen steadily. The vineyards are surrounded by lush forests, palm trees, rocky soils and granite boulders.

VINTAGE

Spring unfolded with cool, steady conditions, which allow a balanced flowering and fruit set. Summer followed with ideal conditions: stable weather and cool nights early in the season encouraged slow, complete ripening. Throughout the entire growth cycle, supplementary irrigation was applied with precision, maintaining optimal water balance for each grape variety.

VINIFICATION

The hand-harvested grapes were fermented in stainless-steel tanks at 17°C for two weeks. The wine then remained in tank for a further three months on lees before blending and bottling.

TASTING NOTES

Aromas of honeysuckle, green apple, and ripe pear open in the glass. On the palate, flavours of dried apricot and white peach add to the roundness of the wine, while the steely minerality and firm acidity add a refreshing element.
